

Living in Ubiquum

- Keep the volume of your voice low, we are many students and we all have to respect each other.
- Leave the spaces you use clean as you would like to find them for yourselves, this includes not leaving dirty dishes or cups.
- All the students must use the mentor calendar to make appointments with them.
- Official working hours are from 9:00 to 18:00 from Monday to Friday, but you can stay as long as you need in the office.
- Mentors have lunch at 13:00/14:00 (This time can change depending on the city and how hungry are the mentors).
